

We encourage you to act quickly if you wish to get in on this exciting NELL New England Limited Edition Series. And remember - all our profits from the sale of these lighthouse replicas go to the NELL Preservation Fund.

NELL has partnered with several lighthouse support groups in this project and profits from the sales will be used to support their preservation efforts.

New models will be developed and released every 4-5 months. Your \$50 will be held in escrow and applied to the final two replicas.

To date NELL has awarded more than \$145,000 for New England lighthouse and related preservation projects, including funding to Cape Elizabeth, Little River, Avery Point, the North and Southeast lights on Block Island.

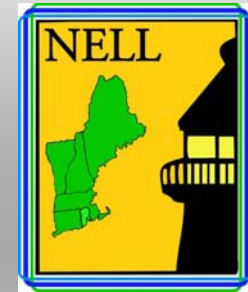

In addition to Race Point, you may wish to acquire the full series of NELL New England Little Lights of Mine collectibles and have the same number reserved for all six models.

The next model to be released is Isle of Shoals (White Island), New Hampshire, followed by Pomham Rocks, Rhode Island, and Avery Point, Connecticut. The final two lights in the series, Maine and Vermont, have yet to be determined.

To order and reserve the series of six lights requires a \$50.00 deposit and must be done by calling Pat Bandock at (856) 854-9350 between 6:00 PM and 9:00 PM Eastern time.

The **NELL** New England Series

NELL has commissioned the artists of *Harbour Lights* to produce for NELL six "Little Lights of Mine" lighthouse replicas to comprise the **NELL New England Series**.
